Please Note: HOUSE RULES

General: Discs landing across park roads that are not part of fairway are OB. Where roads are lined with boulders, imaginary OB line shall be drawn connecting the road-side edge of the boulders. Discs inside of that line are OB. Where boulders aren't present along roads, OB is determined by paved portion of road. Spring ravine is always casual. Sidewalks are safe. Any doubt, take a picture of the situation, and throw a provisional shot.

Hole # 1: Mandatory: Stay left of tree with arrow painted on it. Drop zone located next to mandatory if needed. Inside Playground perimeter is OB. Anything on or across road is OB. Spring ravine beyond basket is casual. Concrete around Monument is OB.

Hole # 2: Creek on left and beyond is OB. Road on right and beyond is OB. Triangle Island is OB since it's surrounded by road.

Hole # 3: Tee off by park bench on west side of pond. Novice & Juniors may tee from Drop Zone throwing 3. Creek & beyond is OB. Concrete trough of spillway is OB. Rock below spillway is ok, unless surrounded by water, then OB. Any disc that lands in pond water, re-tee or go to drop zone, throwing 3, not where it left inbounds.

Hole # 4: Novice & Juniors may tee from Drop Zone throwing 3. Tee is in Bart's yard. Walk around path past the park bench & follow arrows to tee. Discs have to land safely between water and the road. Any discs on or across road OB, go to Drop Zone. Any disc in the water on drive, go to drop zone north of big bridge. On or across road behind basket on initial drive, beyond the 1st rock border is OB. Go to drop zone. Leaners on curb are OB. Sidewalk safe. Any disc that lands OB, play from drop zone. If disc that goes OB after throwing from drop zone or a putt attempt after landing safely south of the big bridge, play it where it went out.

Hole # 5: Street on Left and beyond (including grass islands) is OB. Road into park is OB. Vietnam Memorial and cement sidewalks surrounding and leading up to it are OB. On top of bathroom building is OB. Brick sidewalk paralleling the street is safe.

Hole # 6: Inside Playground perimeter is OB. Road and beyond is OB. Spring ravine is casual. Keep an eye on your disc. Ravine is full of water cress.

Hole # 7: Playground is OB. Fenced-in yards are OB. Spring ravine is casual. Play discs that land under the walk bridge that don't allow a legal stance, play it from side opposite the basket. Top of walk bridge is safe. Swing-set area is safe. Road past basket and beyond is OB.

Hole # 8: Road on left is OB. On roof of house or inside fence is OB.

Hole # 9: Fenced-in residential yards are OB. All roads and beyond are OB.

Hole # 10: All roads and beyond are OB. On top or inside Gazebo is OB. OB line marked behind basket.

Hole # 11: All water and beyond is OB. Road beyond and between rocks is OB.

Hole # 12: Water on right and beyond is OB.

Hole # 13: Any disc landing OUTSIDE the ballpark fence is OB. Fence is front of teepad. Must have a foot on or in front of painted line to release disc.

Hole # 14: No OB on this hole, unless you throw in the creek.

Hole # 15: Any disc landing INSIDE the ballpark fence is OB (including dugout). All roads are safe. Discs under bleachers – play where it lands.

Hole # 16: Tee off on old RR right of way. No OB.

Hole # 17: All roads are OB. Anything beyond the road behind and to the left of basket is OB.

Hole # 18: Black-top road and beyond to right is OB. Inside ballpark fence is OB. The rock two-track road around outfield fence is safe. Only safe place to land is left of road. Play disc where it left inbounds or re-tee.
